habeas corpus

* For the full background to this vital and still continuing threat, please see Torquil Dick Erikson's articles at savebritishjustice.wordpress.com . The European Arrest Warrant (EAW), so beloved of Mrs May, is an offshoot of this alien philosophy, achieved by a totally unjustified "Mutual Recognition " amongst the very different legal systems used in EU states, in particular as between our system, derived from Magna Carta and the systems used on the continent, largely derived from the Inquisition via Napoleon.
