

Referendum Day
23rd June 2016

If you are confused about claims made by both sides

**JUST TRUST YOUR INSTINCTS
and ask yourself the question**

Do you want your country to be governed by our

PARLIAMENT

(by our elected MPs)

or by the

EUROPEAN UNION

(by unelected EU Commissioners) ?

If you vote LEAVE our own **PARLIAMENT** will once again take
full control of our country.

If you vote REMAIN the **EUROPEAN UNION** will continue to
take more & more control over our lives and we will continue to
pay them at least **£33,000,000 net every day** as a membership
fee

**We could do so much that is needed in our
own country with the money we can save.**
